

THE DELICIOUS FOOD

T.G.&C.G.

Once upon a time in a magic city lived ten good friends. Every day they loved to taste different yummy food.

One day they decided to travel around the world.
So they visited many nice, exotic, beautiful countries
and places.

Then they stopped in Cyprus and saw “souvlaki”. Every one tasted souvlaki, would like to eat twice. The ten good friends were happy and said “That’s the most delicious food that’s we ever ate”.

Later they came back in a magic city and decided to open a restaurant with souvlaki “The taste of Cyprus”.
