**Last Friday I and my sister started making pop corn everyday. We loved pop corn. After two days all the people in my village started making pop corn .The next day in the**

**morning my mum cooked  
pop corn for my family  
.The same think was the  
next morning ,the noon,  
the afternoon and the  
night we ate again pop  
corn .After two months  
my mum cooked for my  
family food with pop corn  
like: burger with pop  
corn, beans with pop  
corn and pasta with pop  
corn !An inventor**

**invented a machine that  
makes pop corn quickly .**

**The inventor didn't check the machine before to send it for sale .The machine broke and started making pop corn to all the world .The people couldn't walk,**

**they stayed in their  
house.**

**The best mayor of all the  
word , Mr Chris brought  
a machine to clean the**

**world .**

**But the pop corn's  
machine broke and all the  
world was saved because  
the inventor forgot screw  
the screws of the machine  
so the world was saved .**
